

INSTRUCTIONS

▶ **NURSING EVALUATIONS going to the same State Board within 5 years** (Excepting for Texas Nursing Board)
Please continue using this additional copy request form.

▶ **NURSING EVALUATIONS going to a different State Board** (Including reapply for Texas Nursing Board)

It is necessary to REDO the evaluation when it is being sent to another Board because Boards require different information and formatting. Please follow these instructions:

1. Please use Regular Application (<http://www.eres.com/ERES%20Application.pdf>) and mention your previous Reference # on #9.
2. Write on the board changing direction on #4 after you fill out the address. (For example, "CA to TX")
3. Check **E1, M1, F3 (\$205)** on No. 12 plus Rush Service Fee you choose (if any). In some cases we may need to contact you for more information.
 - If sending to the Texas Board and your original evaluation mentions a nursing license and the evaluation is more than 1 year old, you need to have the 102 Form sent again to ERES. Texas applicants should mention the 102 Form in your letter;
 - If changing board to the Florida Board, you will need to have your Nursing School(s) mail ERES a Form 101-F (3-pages). http://www.eres.com/Form_101_FL.pdf.

▶ **NURSING EVALUATIONS for Education/Employment/Other Purpose**

Nursing Evaluations are dedicated for Nursing Boards. Evaluation Reports for any other purposes are completely different so we have to REDO the report.

1. Please use Regular Application (<http://www.eres.com/ERES%20Application.pdf>) and mention your previous Reference # on #9.
2. ERES would honor a 10% discount on the total of the Service fee, excepting mailing fee. (For example, Service U+C+M1=\$195+\$100+\$20=\$315, and it will only be $(\$195+\$100)*0.9+\$20=\285.5 after the 10%.)
3. Submit the application, **PRINTED SCAN COPIES** of your documents (transcripts and diplomas or degree certificates) along with payment.
